

PERMISSION TO LEAVE SCHOOL INDEPENDENTLY

I understand that the following conditions apply:

1. Only children in Y5 (after Easter) or Y6 will be given permission (younger siblings will still need to be collected)
2. Parents should have assessed the risk of their child leaving school independently and made the judgement that their child is mature enough for this responsibility
3. Children need to have been spoken to about their route and what to do in an emergency
4. Children should be made aware that, whilst they are in uniform, they are representing Sacred Heart School (even when outside of school) and their conduct should reflect this
5. If there is a conduct issue when walking home, permission may be revoked and your child will need to be collected from school
6. Parents are responsible for their children once they have been dismissed from school
7. If your child will sometimes walk and sometimes be collected, please ensure they know what is happening each day to avoid confusion.
8. If you would like your child to have a mobile phone for the purposes of walking home, a separate mobile phone permission form will need to be completed
