Solemnity of Christ the King Year B

The Gospel this week shows Pilate judging Jesus by the world's standards. Pilate saw kingship as earthly power and control. When the Israelites asked for a king, God warned them of the heavy burdens a human king would bring. Worldly kings take from their people and rule through fear and power. They demand service and take what they want. Jesus' kingship is different. He gives rather than takes. At the Last Supper, Jesus washed His disciples' feet, showing that true kingship means serving others. Jesus does not seek to be served, but to serve. He is humble and preaches truth, not manipulating through fear. Christ the King does not need human respect. His humility is a model for us. Imagine how free we would be if we were like Him, motivated only by our relationship with God. We would seek to please the Father above all else. The Solemnity of Christ the King calls us to see Jesus' kingship clearly. He is a king who serves and loves us. Following His example leads us to true freedom and joy.
