Science

This term, we will be learning to:

associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells

compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches

use recognised symbols when representing a simple circuit in a diagram

Contact Me

I can be contacted at scarberry@sacredheart.sheffield.sch.uk for non-urgent enquiries. I will aim to respond within 2 working days.

I am happy to meet to discuss your child - please contact me to arrange a mutually convenient time.

Other Subjects

Design Technology—Electrical Systems

PE—Basketball / Gymnastics

Music—Rhythmic devices and structure

Personal Development—Anti-Racism / Me, My Body, My Health

French—Greetings, days of the week, how people are and what they are like

At Home

Here are some tips to help your child succeed:

- Talk to your child about their learning and about the world in general
- Read books together every day.
- Limit screen time
- Help with learning spellings, and times tables
- Encourage your child to develop independence
- Build resilience - allow your child to get things wrong
- Support your child to follow school rules
- Encourage empathy and tolerance
