27th Sunday in Ordinary Time

In the Gospel this week, the apostles ask Jesus to increase their faith. Jesus tells them that even faith as small as a mustard seed can move a tree. This shows that faith is not about size but trust. A little real faith can do great things.

Many people think they need to have strong, perfect faith to make a difference. But Jesus teaches that even a small, sincere faith is enough. What matters is not how much faith we have but how we use it. If we trust God and act on our faith, we will see changes in our lives and in the world around us.

Jesus also reminds His followers that they should serve without expecting rewards. Like a servant doing his duty, we are called to live our faith by loving and helping others. Faith is not just about believing—it is about doing. When we serve God and others with humility, we live out the faith Jesus talks about.

Prayer Intentions: We pray for all those affected by the Manchester synagogue attack. We pray that those who have died may rest in your eternal peace and that you comfort those who mourn. We pray for those in our communities who are targeted because of their faith. Where there is enmity, we pray for peace; where there is division, healing; and where there is hatred, a mending of broken bonds.

Celebration of the Word

Depend on God

Sunday's Gospel reading tells us that it doesn't matter how big or how small our faith is; in fact, even with faith the size of a tiny mustard seed, God can do amazing things. This is because the results don't depend on us - they depend on God.

Going Forth: think about how, with faith, you can allow God to work in you through helping others this week
