Love one another as I have loved you—John 13:34

Friday 5th June 2026

At Sacred Heart School we:

LEAD with fairness & empathy

SERVE with kindness & consideration

COMMUNICATE with respect

ACT with love

Corpus Christi

The Gospel reading for Corpus Christi is one of the most important teachings about the Eucharist. Jesus says that He is the living bread from heaven. He tells His followers that they must eat His flesh and drink His blood to have life. This teaching was hard for many people to accept. Some turned away because they did not understand. But Jesus did not change His words. He wanted people to know that the Eucharist is not just a symbol. It is His real presence, given to bring life.

The Eucharist is a great mystery. It cannot be fully explained, but it can be believed. Catholics trust that Jesus meant what He said. When they receive the Eucharist, they receive Jesus Himself. Corpus Christi reminds us to approach the Eucharist with faith and reverence.

This calls for preparation. Receiving Jesus in the Eucharist should never be taken lightly. Prayer, reflection, and even confession help us receive Him with the right attitude. Corpus Christi invites all believers to recognise the great gift of the Eucharist and to receive it with devotion.

Prayer Intentions: This week is National Volunteers Week and we pray for all those who volunteer to support our school, giving generously of their time - governors, FOSH, school trip helpers, class volunteers etc. Without these, school would not be able to enrich the experience of our pupils

Celebration of the Word

The Solemnity of the Most Holy Body and Blood of Christ is another amazing mystery of faith which children will explore through this assembly. The communion song 'Bread of Life' will help children to remember Jesus' real presence in the Eucharist, and welcome Him to feed their souls with His life and love.

Information / Messages

Reading: Well done to these children who reached words read milestones on Renaissance —Benedicta (50,000), Jaylen (100,000), Cole (250,000), Archie D (500,000), Zac (1 million), Iri (2 million), and Elijah (6 and 7 million!)

Fathers' Day: As we did during Lent for Mothers' Day, we will be holding a sale on Thursday 18th June where children can buy a small gift. Donations of appropriate items would be much appreciated, for example, books, biscuits, toiletries.

Water Safety: In light of tragic events over half term, we are revisiting water safety across school. The key messages are:

Understand the Hazards: Emphasize that open water differs significantly from swimming pools.

Dangers such as cold-water shock, unseen currents, and sudden changes in depth

Active Supervision: Always maintain constant, active supervision of children, even if they are confident

Stick to Supervised Areas: Encourage the use of managed, lifeguarded swimming facilities

Summer Fair: Planning for the summer fair is well underway. We are again looking for our children to turn £5 into profit by running a stall. Letters were sent out earlier this week. Please return forms by 12th June. If anyone can contribute to the summer fair by helping set up or running a stall, please get in touch

Young Musician of the Year: Mrs Hinchliffe previously sent a letter inviting entries for our Young Musician of the Year competition. All welcome to enter with singing or playing an instrument—you don't need to be having lessons to take part.
