Love one another as I have loved you—John 13:34

Friday 4th September 2026

At Sacred Heart School we:

LEAD with fairness & empathy

SERVE with kindness & consideration

COMMUNICATE with respect

ACT with love

23rd Sunday of Ordinary Time

The Gospel for this week focuses on how to handle disagreements within the Christian community. Jesus gives clear steps for addressing conflicts. First, speak to the person privately. If that does not work, involve a few others. If the problem continues, bring it to the church. If the person still refuses to listen, they may be separated from the community. This shows that Jesus understands that disagreements will happen. The church is made up of people, and people make mistakes. Instead of ignoring problems or letting them grow, Jesus teaches a way to deal with them fairly. The goal is not punishment but reconciliation.

Jesus also reminds his followers that their actions matter. When they make decisions in unity and prayer, those decisions carry authority. God is with them, guiding their choices.

This passage teaches that conflict should not divide the church. It should be handled with patience and love. The Gospel reminds believers that Jesus is always present in their community, even in difficult times.

Prayer Intentions: We pray for all those returning to education this week—may they have a fruitful and productive year. We pray also for those who do not have access to education—may we support one another so that learning becomes a gift shared by all equally

Virtue to Live By

Our Current Virtue to Live By is **Respect and Courtesy**

Celebration of the Word

Jesus said that where two or three are gathered in His name, He is with them. In this Celebration of the Word Assembly children consider how working together makes us stronger and more effective. They will discover how prayer can strengthen and unite us together in faith.

Going Forth: How can you bring peace to your community by listening, helping and praying together?
