

Thursday 10th September 2026

Dear Parents / Carers,

As you will know, Sacred Heart School was inspected by Ofsted before the summer break. This week we have received the final report which is attached.

We are incredibly proud that the inspectors recognised the strengths of our school resulting in us being awarded a 'strong' judgement in the areas of inclusion, personal development, and behaviour and attendance. In the new framework, a strong judgement is difficult to achieve and reflects an extremely high standard. The other areas were judged as expected which, in the new framework, reflects a high standard.

Under the current Ofsted framework, schools are not awarded an overall judgement grade. More information about the framework and judgements can be found here:

<https://www.youtube.com/watch?v=kbl0FvY976g>

Thank you to all the parents who spoke to the inspectors or gave feedback and to all those who offered support and encouragement throughout a rigorous few days in the final week of the school year.

The report reflects the strong relationships that exist in our school community and we look forward to working together to continue to provide an excellent education for each child.

Kind regards,

Ms. L Tuplin
Headteacher
